Please describe your child's general health (allergies, nutrition, medications, sleep). _____

Will you request financial assistance? Yes No

Do you have an interest in your child attending Lakeside for Grades 1-3? Yes No

Lakeside School, Inc. does not discriminate on the basis of race, color, gender, religion, sexual orientation, disability, or ethnic origin in its admission.

Decisions regarding program changes will be made no later than April 30, 2022.

Tiered Tuition Model

Next year all programs, Sprouts, Kindergarten, and Elementary, will have a two-tiered tuition model, along with sliding scale tuition assistance.

- The Walnut Tier most closely reflects the actual cost of educating a child at Lakeside School.
- The Oak Tier reflects a percentage of the cost of daily supplies and instruction of a child in a particular program.
- Any family that cannot pay the Oak tier may apply for Tuition Assistance (see Financial Assistance).

We ask that everyone consider the Walnut Tier first. If your family determines that the Walnut tier is not feasible, you may opt for the Oak tier. If financial need is greater still, you may apply for sliding scale tuition, allowing Lakeside to adjust a family’s tuition to be in equitable proportion to their financial resources, while also balancing the operating needs of the school.

Financial Assistance

Should there be a need beyond the two tiers, we will gladly help you seek further financial support from local and federal assistance programs. We also offer our own Tuition Assistance program to which your family can apply after a student has been accepted.

If you are applying for Tuition Assistance, please select Sliding Scale on the chart below. Then, submit a completed Tuition Assistance application with this form. Lakeside will award assistance based on the submitted Tuition Assistance application and associated financial information due with the enrollment packet.
